Summary

By enacting this dress code, Center Independent School District recognizes that there are occasions when individuals may need to wear specific clothing due to medical reasons. When such is the case, the employee must provide the proper medical documentation that gives rise to the need for deviation from this dress code policy.

If the supervisor determines that an employee's grooming or clothing violates the professional dress code, the employee will be given the opportunity to correct the problem. Repeat offenses may result in disciplinary action. Final determination to be made by the immediate supervisor.
